Listen to My Heart Rediscovering Life's Overcoming Spirit

Listen to My Heart celebrates life's overcoming spirit. It tells the compelling life stories of a brave group of individuals, subtly woven into a tapestry of extraordinary inspiration. Despite being plagued by unfathomable adversity, these individuals are able to harness the quiet strength within them, rise up each time they fall, and persevere for a better tomorrow. Their stories are precious life lessons on the indomitable human spirit that resides in every individual; it however, demands one to have the courage, the will and the determination to discover, develop and display the spirit in the midst of one's own story of challenges.

Read, reflect, and share *Listen to My Heart*; and let your heart glow.
